

## LIST OF TABLES

Table 1.	Lower West Coast Related Water Management Planning Efforts .....	6
Table 2.	Population, 1995-2020.....	15
Table 3.	Irrigated Citrus Acreage, 1995-2020.....	16
Table 4.	Acreage and Percentage of Land Use by County Planning Area.....	17
Table 5.	Pulse Release Schedules for the St. Lucie and Caloosahatchee River Estuaries and their Effect on Lake Okeechobee Water Levels.....	27
Table 6.	Ground Water Systems in Charlotte County.....	31
Table 7.	Ground Water Systems in Collier County.....	31
Table 8.	Ground Water Systems in Glades County.....	32
Table 9.	Ground Water Systems in Hendry County.....	32
Table 10.	Ground Water Systems in Lee County.....	33
Table 11.	Individual Permit Allocations.....	56
Table 12.	History of Water Shortages.....	60
Table 13.	Overall Water Demands for 1995 and 2020. ....	65
Table 14.	Population in the Lower West Coast Planning Area 1995-2020. ....	66
Table 15.	Public Water Supply and Domestic Self-Supplied Demand .....	66
Table 16.	Commercial and Industrial Self-Supplied Demand .....	67
Table 17.	Landscape and Recreational Self-Supplied Demand .....	67
Table 18.	Water Demand and Irrigated Acreage by Crop Type.....	69
Table 19.	Implementation Status of Mandatory Water Conservation Measures. ....	75
Table 20.	Representative Water Use and Cost Analysis for Retrofit Indoor Water Conservation Measures.....	80
Table 21.	Representative Water Use and Cost Analysis for Retrofit Outdoor Water Conservation Measures.....	81
Table 22.	Irrigation Costs and Water Use Savings Associated with Conversion from Seepage Irrigation to Low Volume Irrigation. ....	83
Table 23.	Well Costs for Aquifer Systems.....	84
Table 24.	Reservoir Costs.....	86
Table 25.	Aquifer Storage and Recovery Facilities in Southwest Florida. ....	87
Table 26.	Aquifer Storage and Recovery System Costs. ....	87

Table 32. Chlorination Treatment Costs .....	97
Table 33. Ozonation Costs.....	98
Table 34. Aeration Treatment Costs.....	99
Table 35. Lime Softening Treatment Costs.....	101
Table 36. Reverse Osmosis Operating Pressure Ranges.....	102
Table 37. Reverse Osmosis Treatment Costs.....	102
Table 38. Concentrate Disposal Costs.....	103
Table 39. Membrane Softening Costs.....	104
